"Events like the TFC/VCW Career Fair, which connect Franklin County talented workers with employers looking to hire, are a critical part of our efforts to strengthen our innovation economy and support a strong middle class," Kathy Hodges, Executive Director said. "By supporting and hosting this job fair, Franklin County is helping to build a stronger, more innovative Virginia."

"The Franklin Center/VCW fair will bring together local businesses and our community's skilled workforce to help businesses grow and positively impact the county's economic vitality," said Hodges. "Job Fairs help local business find qualified job seekers in the community which creates opportunities for County residents to work close to home.
